Answer

MINISTER OF ENVIRONMENT, FOREST AND CLIMATE CHANGE (DR. HARSH VARDHAN)

(a) to (c) A project proposal for 'Abatement of pollution, river flow channelization and river front beautification of Berech (Ayad) river in Udaipur' was received from Rajasthan Urban Infrastructure Finance Development Corporation Limited (RUIFDCO), Jaipur for consideration under National River Conservation Plan (NRCP) in May 2015. However, the proposal was returned back to RUIFDCO as river Ayad is a part of Ganga River Basin and does not come under the purview of NRCP.Therefore, there is no proposal to release Rs. 87.49 crore for the project under NRCP.
